

Care Team Integration

All-Staff Meeting

January 10, 2019

HEALTH
CARE for the
HOMELESS

Recap: November In-Service Training

1. Care teams are designed to provide clients with integrated, whole-person care that feels comfortable, easy and safe.
2. Shared space helps us physically organize ourselves around the client.
3. We're physically integrating teams at 421 Fallsway
4. The Yellow Team will move first—then we'll map out integration of Green, Purple and Steel.

What's underway

- Some physical relocation
- Planning for workflow and space changes
- Visit to Johns Hopkins Community Physicians - Remington
- New resources on the portal

What's next

Yellow Team moving day is **January 14**

Coming soon:

- Client surveys
- Team member surveys
- Performance measures
