BlueDental Plus Summary of Benefits

Our plusses

- Most plans cover 100% of preventive and diagnostic services
- No claim forms or paperwork to fill out when a member sees a participating dentist
- We coordinate benefits for members with dental coverage from another carrier
- More than 123,000 participating dentists and specialists across the United States.

Our plans

With BlueDental Plus, you'll save the most money by seeing a participating provider.

What's a participating provider?

It's a dentist or specialist who is in our network and accepts our reduced negotiated fees as payment in full. This means no balance for you to pay, keeping your out-of-pocket costs low.

- **Option 1**—By choosing a dentist in the Preferred Provider Network, you pay the lowest out-of-pocket costs. These dentists accept CareFirst's allowed benefit as payment in full. You're only responsible for deductibles and coinsurance. And for your convenience, your provider is reimbursed directly.
- **Option 2**—By choosing a dentist who participates with CareFirst, but not through the Preferred Provider Network, you'll pay slightly higher out-of-pocket costs. Similar to Option 1, there is no balance to pay. You're still responsible for deductibles and coinsurance, and have the convenience of your provider being reimbursed directly.

Can I see a non-participating provider?

Of course. But your out-of-pocket expenses will be highest with providers outside our network. You may have to pay the difference between the dentist's fee and what your plan allows for those services.

Common dental insurance terms

Deductible: The amount you are responsible for before CareFirst pays for dental services.

Coinsurance: Your share of the dentist's fee after CareFirst has paid its share.

Annual maximum: The yearly reimbursement level for an individual/family set by your CareFirst dental plan.
