This Word Finder game is meant to be an engaging learning experience. Have a little fun while learning about gender-affirming terms and language that support individuals who are part of the trans community. Terms and language are always evolving, and the spectrum of representation is wide.

## **Directions:**

- 1. Take a moment to review each term listed below the Word Finder game. Each term is connected to an active link that provides more information about it. Be sure to double-click and read each link.
- Print this document once you have learned about each term and look for each of the terms in the Word Finder
- 3. Email your complete Word Finder to the Heritage Month Planning committee at <u>ajackson1@hchmd.org</u>. The first three to return a complete and correct Word Finder will win an awesome HCH prize!
